NEW YORK COUNTY LAWYERS' ASSOCIATION
14 Vesey Street - New York 10007

Report of Committee on the Criminal Court on Assembly Bill 8359-A
same as Senate Bill 7685, Assembly Bill 8667-A same as Senate Bill
9034, which seek to amend Sections 265.00, 265.05, 265.10, 265.15
of the Penal Law with regard to the possession of certain weapons.

RECOMMENDATION: DISAPPROVAL

Both of these bills seek to add "nunchakus" to the list of
weapons the possession of which is proscribed by Article 265 of the
Penal Law.

Both bills have been amended and recommitteed by substitute
bill in Assembly. The amendments, in both cases, removed from the
proposed legislation the presumption, from mere possession, of an
intent to use the proscribed device unlawfully against another. In
place of this presumption, both bills now make unlawful the mere
possession of nunchakus, without regard to the issue of unlawful
intent.

While it is true that nonchakus, chuka sticks and like objects
are capable of use in criminal conduct, it is the sense of this
Committee that they are not properly included in the provisions of
Article 265 of the Penal Law as proposed.

While the possession of these items with demonstrable criminal
intent is a proper subject for legislation, the proposed legislation
goes further, making mere possession (even absent criminal intent)
a criminal offense. If it is the desire of the legislature to
prohibit the use of nunchakus in criminal conduct, a more narrowly
drawn statute can be fashioned to achieve this end.

Respectfully submitted,

COMMITTEE ON THE CRIMINAL COURT

Gregory J. Perrin, Chairman
