Vice-Chair: John Stratakis (jstratakis@polestublin.com)

AGENDA

1. Update from Charlie Papavizas, Partner at Winston & Strawn, on Alaska Reefer Management/Pollock, Alaska/New Brunswick shipment dispute.
2. Uniform Certificate of Title Act for Vessels, Notice of Proposed Rulemaking, Federal Register / Vol. 86, No. 181 / Wednesday, September 22, 2021
3. NVDC Reminder – The NVDC recently updated the CG-1340 Bill of Sale, CG-1258 Application for Redocumentation, and several of the other forms available on its website. The new forms, each of which contains an April 2023 expiration date in the top right corner, do not appear to have many material differences as compared to the old forms. In any event, the NVDC is in the process of phasing out the old forms, and is asking that filers begin using the new forms immediately. The NVDC will continue to accept the old forms through the end of 2021, with the old forms being completely phased out as of January 1, 2022.

The new forms can be found here:

4. NVDC – Best practices regarding recent deficiency notices.
5. Recent Jones Act and other cases of interest.
6. Update on wind projects and rulings.
7. Subcommittee reports.
8. New business.
