

Mr. Farrell has more than two decades of field operations and business experience at Resolve Marine. After serving as a naval architect and project manager where he worked on and led high-profile salvage projects around the world, he was appointed director, business development with oversight of the company's Alaska and compliance divisions, shared resources (equipment, assets, and response depots), marketing and communications, and Resolve Academy, the company's firefighting and training division.

Joseph now holds the position of Deputy CEO, a transition role to CEO of Resolve Marine, currently held by his father Joseph Farrell Jr.

Mr. Farrell holds a B.S. in marine engineering from Massachusetts Maritime Academy, an M.S. in ocean engineering from Florida Institute of Technology, and an MBA from Cornell University.
