

RECREATIONAL BOATING COMMITTEE MEETING AGENDA

**APRIL 30, 2015 AT 15:00
New York Yacht Club
37 West 44th Street
New York, NY**

SPEAKERS;

1) James P. Muldoon,

Vice President, Government Relations, US Sailing
CEO, METCOR

TOPIC: Update on current development of national On-Water Skill-based Standards for sailing, powerboating and human propelled craft operation as part of a National System of Standards for Recreational Boat Operation. The proposed system would allow USCG recognized organizations that provide quality instruction in recreational boating, adhering to nationally approved standards (knowledge and On-Water), to qualify for a limited OUPV license program for recreational boating instructors to teach in areas for which they are specifically credentialed.

2) Jahn Tihansky

TOPIC: The need for consensus support for a national program to provide limited OUPV licenses for recreational boating instructors.

3) Eric Sorensen

President, BoatCraft LLC

TOPIC: The Elements of Heavy Weather Seaworthiness

4) G Robert Toney

President, National Marine Services

TOPIC: Market Update

5) Todd Lochner ESQ

TOPIC: Boating Briefs and related topics

6) LCDR Lineka Quijano, USCG
