

Ardent Global is recruiting for an Associate General Counsel to join our legal/risk management team based in Houston, TX. We require an attorney with a high degree of specialized expertise and skill to establish and maintain standards of quality and accuracy. The work requires analytical problem solving and ingenuity while demonstrating values of integrity, quality and caution.

This role supports all sectors of the organization including; operations and commercial activities. Core responsibilities include contract development, review and negotiating partner, vendor and commercial agreements.

The job environment is dynamic and priorities change quickly. New ideas are important and will be carefully analyzed and tested within the operating environment. The best candidates are those who apply drive, determination and self-discipline to achieve results and are not deterred by change.

Ardent Global is a newly formed entity between two enduring, maritime industry experts: Crowley and Svitzer. Our business lines include Emergency Response, Wreck Removal, Decommissioning and Underwater Services. Global ship owners partner with Ardent to mitigate risk and ensure regulatory compliance. The company is headquartered in Houston, Texas with its main international operational hub in Ijmuiden, the Netherlands. Ardent also has key offices and operations in Singapore, the United Kingdom, Australia, Brazil, Greece and Korea as well as locations through the Southern Africa region for the joint venture between Ardent and Subtech.

You will have the opportunity to help establish process, policy and standards on a global scale, assist in identifying needs for the organization, developing solutions and facilitating integrations across functions and locations.

We require applicants to have 2 years of international legal experience post degree, bar licensure and experience drafting, reviewing and editing contracts.

Benefits

We are a growing company with an innovative work environment, competitive compensation, great incentive programs, and health, dental, and 401(k) benefit plans.
