

RE: MEMBERS OF THE COMMITTEE OF THE CARRIAGE OF GOODS

The Carriage of Goods Committee will meet on May 4, 2011 from 9:30 a.m. to 11:30 a.m. at the offices of Chartis Marine, 180 Maiden Lane, New York, New York. For purposes of security we need to provide the names of attendees 24 hours in advance; therefore, please confirm whether or not you intend to attend the meeting in person by sending an email to me and cc: to Susan Dorgan at susan.dorgan@chartisinsurance.com

The Spring Meeting will feature a speaker from the German Maritime Lawyers Association, Dr. Marco Remiorz whose topic is "If you cannot get anything from the ship or the carrier; actions against German freight forwarders as the last resort."

In addition to Dr. Marco Remoizr, we are pleased to announce that Anthony J. Pruzinsky of Hill Rivkins LLP will provide us with a presentation and paper on the recently concluded DG Harmony litigation in which cargo and vessel interests recovered damages from the shipper of a hazardous cargo.

It is our belief that those attending the meeting will be able to obtain 1 New York CLE credit. It would be appreciated if those attending who intend to apply for CLE credit bring a self-addressed stamped envelope.

Sincerely,

Edward C. Radzik
