

MEMBERS OF THE COMMITTEE OF THE CARRIAGE OF GOODS

Susan Dorgan, chair of our sub-committee to provide input to the CMI on proposed changes to the York Antwerp Rules on General Average and David Maloof, vice-chair of that sub-committee, are seeking comments from our Members regarding the proposed changes.

There is no need to respond to the entire Questionnaire prepared by CMI Working Group which I had circulated and posted three weeks ago. Any comments or suggestions for changes that may impact upon your practice or your clients' businesses would be welcomed by the sub-committee. Please send your comments and/or suggestions to Susan Dorgan (susan.dorgan@chartisinsurance.com) and to Dave Maloof (david.maloof@dmaloofandbrowne.com).

Thank you.
