AGENDA

Hurricane update

Gene George will continue his series of updates on the insurance and legal fallout from the 2005 hurricane season.

Subcommittee on General Average

John Crotty's attendance is uncertain. Jonathan Spencer, if necessary, will report on recent developments concerning general average.

Subcommittee on Cargo Insurance

George Zacharkow will not be in attendance and does not anticipate making a report.

Subcommittee on Hull and Protection & Indemnity Insurance

John Woods will not be in attendance and we are privileged and fortunate that Hal Watson will act in his stead.

The Main Committee Meeting

The Vice-Chair will distribute the Committee Newsletter containing recent marine insurance precedent and a lead article comprising the second part of Rhys Clift's paper on Fraudulent Insurance Claims (Part I having appeared in the Spring 2007 newsletter.)

Guest speaker

William R. Boeringer, Esq. of Hayden & Milliken in Miami will speak about "The Tripartite Relationship - insurer/insured/defense attorney pitfalls".
