

Document No. 321
July, 1948

THE MARITIME LAW ASSOCIATION
OF THE UNITED STATES

SECRETARY'S NOTICE

The association's biennial list of members will be published this year, and every effort is being made to have it completely accurate.

According to our present records, the address set out above is your correct mailing address. If the address is correct, please so indicate in the space provided on the enclosed post card, and return it to me *on or before September 1st*. If it is not correct, will you please type or print your correct address on the card and return it.

As you know, the by-laws of the Association were amended at the 1947 Annual Meeting to prohibit election of non-lawyers to active membership at any time when non-lawyers constitute more than 10% of the total membership. The Association has no exact record of the status of its members, excepting those elected to membership in the last year. In view of the amendment, it is, of course, necessary to have such a record. Please therefore indicate your status on the enclosed card before mailing it.

I am sure you will appreciate the necessity of a unanimous response in this instance, and I hope that you will therefore fill out and return the enclosed card *now*.

Very sincerely yours,

JOHN W. R. ZISGEN,
Secretary,
99 John Street,
New York 7, N. Y.
