THE MARITIME LAW ASSOCIATION
OF THE UNITED STATES

SECRETARY'S NOTICE

The Association's biennial list of members will be published this year, and every effort is being made to have it completely accurate.

According to our present records, the address set out above is your correct mailing address. If the address is correct, please so indicate in the space provided on the enclosed post card, and return it to me on or before September 1st. If it is not correct, please type or print your correct address on the card and return it. If your name and address does not appear legibly on the card it may result in an incorrect listing.

As you know, the by-laws of the Association were amended at the 1947 Annual Meeting to prohibit election of non-lawyers to active membership at any time when non-lawyers constitute more than 10% of the total membership. Furthermore, the annual dues of active members are now \$10.00, excepting the annual dues of members of the Bar who have been members of the Bar for less than ten years, which remain \$5.00. In order to insure that our records in this respect are accurate please, therefore, be sure to indicate your status on the enclosed card.

I am sure you will appreciate the necessity of a unanimous response, and I hope that you will fill out and return the enclosed card now.
