**SECRETARY'S NOTICE**

At the Annual Meeting of the Association held May 8, 1953 the majority report of the Committee on the Supreme Court Admiralty Rules as set forth in Association Document No. 369 was approved in principle subject to the Rules Committee communicating through the Secretary with the Association's members for their views, comments and criticisms, upon receipt of which the Committee will prepare a supplemental report to be considered at a special meeting of this Association to be called in June. A further notice will be circulated in the near future giving the time and place of the June special meeting.

In view of the importance of the subject all members are urged to carefully consider the report of the Admiralty Rules Committee as set forth in Association Document No. 369 circulated in April 1953 and to send their comments, in writing, to the chairman of the Admiralty Rules Committee. The name and address of the Chairman are as follows:

William G. Symmers  
70 Pine Street  
New York 5, New York

In view of the limited time available it is unlikely that the Committee will be in a position to consider any comments received after June 15th, 1953.

*Secretary.*
