THE MARITIME LAW ASSOCIATION
OF THE UNITED STATES

QUESTIONNAIRE ON ARBITRATION

Purpose of the Questionnaire

For the information and assistance of this Association's Committee on Arbitration in connection with the pending legislation for amendment of Title 9, United States Code (Arbitration), the members of the Association who have had experience in arbitration matters are urgently requested to answer the questionnaire attached hereto as Schedule A. Replies are requested to be made on the form attached hereto as Schedule B and to be sent to Clement C. Rinehart, Chairman, Committee on Arbitration, 120 Broadway, New York 5, N. Y., before December 31, 1954.

Every member who has had experience in arbitration is requested to return Schedule B with replies to as many questions as may be practicable. Any member finding that, because of lack of time or available records, he is unable to make full and complete replies to any of the few questions asking for detailed information, is urged not to fail to return the questionnaire with his answers to all questions to which the member *can give substantially correct replies without undue effort or delay.*

Members of the Association received as Document No. 381, dated May 21, 1954, a copy of the Report and the proposed bill which the Committee on Arbitration submitted to the Association at its annual meeting on May 14, 1954, and which was later approved by the Executive Committee. The proposed bill was introduced in the House of Representatives on July 22, 1954, as H. R. 10010 and referred to the Judiciary Committee of the House. Copy of H. R. 10010 is attached hereto as Schedule C.
