

THE MARITIME LAW ASSOCIATION
OF THE UNITED STATES

The Association is considering publication of a volume of leading and informative Law Review articles and notes dealing with the subject of Admiralty and Maritime Law. It is anticipated that the topics will be representative of the entire Admiralty field and that the volume will sell for about \$7.50.

Before undertaking this project, the Association has decided to ascertain the extent of the membership interest in such a volume.

Accordingly, you are requested to fill out and return the attached card, for which no postage is required.
