

DOCUMENT No. 493
October 20, 1965

THE MARITIME LAW ASSOCIATION
OF THE UNITED STATES

NOTICE

A number of members have suggested the possibility of holding an occasional meeting of the Association in a city other than New York, and at a recent Executive Committee meeting it was decided that the views of the membership at large on this question should be solicited.

So as to make sure that the Association would have a suitable place for the Dinner following the 1966 Annual Meeting, the Dinner Committee, with the approval of the Executive Committee, has already reserved the Grand Ballroom of the Waldorf Astoria for the evening of May 6, 1966. For this reason, and because of the special planning a meeting outside New York would require, the Executive Committee believes that the earliest time when such a meeting could be held would be the fall of 1966.

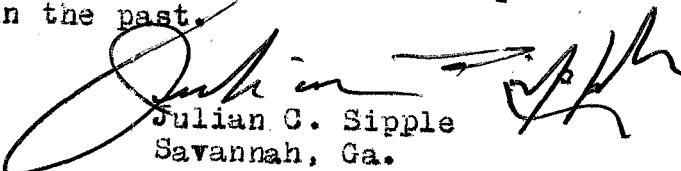

All members of the Association are respectfully requested to express their views on the enclosed post card, which should be mailed to the Secretary as soon as possible. The question will then be discussed at the Fall Meeting on November 5th, at which time the results of the survey now being made will be announced.

October 20, 1965.

JAMES J. HIGGINS,
Secretary.

Mr. Higgins:

No card enclosed. I would prefer
New York as in the past.
