**LADIES' ACTIVITIES, SAN FRANCISCO FALL MEETING**

As indicated in material previously sent the members, the West Coast Committee has made plans for ladies' activities on Friday, October 30, 1970, the same day as the business meeting.

There will be a harbor cruise on one of the Harbor Tour sight-seeing boats with a 10:30 a.m. boat departure from Fisherman's Wharf and return about 12:30. This is one of the best ways to see the San Francisco Bay as well as other places of interest such as the Golden Gate Bridge, Alcatraz Island, etc.

The tour will be followed by lunch at two restaurants, the Mandarin and the Plantation. They are located at Chirardelli Square which is near Fisherman's Wharf and within easy walking distance. Chirardelli Square will be of interest as it is a former chocolate factory which has been transformed into one of the City's most popular attractions—a miscellany of shops, galleries, restaurants and plazas which overlooks the Bay. The Mandarin will serve an unusual Chinese menu including curried chicken, shrimps a la Shanghai, and Mongolian Lamb. The Plantation luncheon will be Crab Louis.

Charter buses to the boat from the Mark Hopkins and Del Webb Hotels will be provided. Those persons staying at the Mark Hopkins, Sir Francis Drake, Huntington or Fairmont should be able to take the bus from the Mark Hopkins while those at the Del Webb, Holiday Inn and San Franciscan should be able to take the bus from the Del Webb.

The cruise and lunch, including the bus transportation before and after, will take about four (4) hours, so that with a 10:00 a.m. bus departure, the ladies can expect to be back to their hotels around 2:00 p.m.

The total price for cruise, luncheon and bus transportation both ways will be \$8.75.

Please remember to take this mailing home so that your wife will know about these activities and will plan to attend. If she does,
