Document No. 596

Membership Secretary John J. Sullivan is actively preparing for the printing of the new directory of our Association. This directory will, for the first time, include telephone numbers and, optionally, telex numbers and home telephone numbers.

It is imperative that the enclosed card be filled out and returned to Mr. Sullivan as quickly as possible. Please note that if the card is not received by August 2, 1976, the listing will be the same as in the 1974 directory.
